

# Sibling Rivalry

1. When you look at this picture and these arrows, who started this conflict?
2. Who is *contributing* to this vicious circle?
3. Who is responsible for fixing it?
4. How do you think you could fix it?

- When we apologise we:
- Say "I'm sorry"
  - "I did..."
  - "It made you feel..."
  - "Will you forgive me?"
